4. If such a claim is made or appears possible, THE LICENSOR may, at its option, secure for THE LICENSEE the right to continue to use the Product, or modify or replace the Product so that it is non-infringing, or, if neither of the foregoing options is available in THE LICENSOR's judgment, require THE LICENSEE to return the Product for a credit equal to the portion of previously paid License fees allocable to the remaining term of THE LICENSEE's Product License.
